

Medical Exam Waiver Statement

I have been advised by HearSource.com & any or all of their representatives, that the Food and Drug Administration has determined that my best health interest would be served if I had a medical evaluation by a licensed physician (preferably a physician who specializes in diseases of the ear) before purchasing a hearing aid.

I do not wish a medical evaluation before purchasing hearing aids.

Waiver Signature _____ Date _____

In addition to placing your order, by signing the above line, you are also stating that you are 18 years of age or older, you have read and understand the required F.D.A. notice and have made an informed decision to purchase hearing aids without being seen by a physician. Additionally, by purchasing hearing aids from HearSource.com you agree that you are the person that will be the end user and wearer of the hearing aids. You also agree that the reason for purchasing hearing aids from HearSource.com is for the purpose of personal use only and not for competitive research, resale or any other reason.
